### MACHINE WASH

- Wash the sofa covers inside out with the zipper closed;
- When the sofa cover uses Velcro, apply a protective cloth or strip;
- Use neutral detergents only;
- Wash at 30°C using gentle cycle;
- Use minimal centrifugation;
- Do not use softener;
- Do not wash with other textiles or garments;
- Do not load the washing machine excessively;
- With the cover still moist stretch in both directions;
- Let the fabric air-dry;
- Do not iron.

### STAIN REMOVAL

- Treat stains as soon as they occur;
- Brush off loose dirt;
- Wipe the stain with a sponge or cotton using water or a mild soap-water blend (no detergent);
- Allow soap to soak in (2 to 3 minutes);
- Rinse thoroughly;
- Air dry.

### STORAGE

- (E)** Please put the cushions in a dry, dark and well-aired space when they are not being used. Never put moist cushions in a cushion box.
- (N)** De kussens op een droge, donkere en goed verluchte ruimte bewaren wanneer ze niet gebruikt worden. Stop de kussens nooit vochtig in een kussenbox.
- (F)** Quand vous n'utilisez pas les coussins, il est conseillé de les entreposer dans un endroit sec, sombre et bien aéré.
- (D)** Bitte lagern Sie die Kissen bei Nichtnutzung nur an trockenen, dunklen und gut durchlüfteten Plätzen. Lagern Sie keine feuchten Kissen in der Kissenbox.
- (ES)** Guarde los cojines que no utilice en un lugar seco, oscuro y con buena ventilación. No guarde nunca cojines húmedos en un arcón o baúl
- (I)** Nei periodi in cui non sono utilizzati, si consiglia di conservare i cuscini al buio, in un luogo asciutto e ben aerato. Non lasciare mai i cuscini umidi nell'apposita cassa portacuscini.
